ROME

ABOUT US

The **HipHopCineFest.org**, is an event that collects movie screenings and **opportunities** for young film-makers connected to the Hip Hop world through its most varied aspects. The festival focuses on stories written, produced and directed by lovers of this universal culture, passing through all film genres included the experimental ones.

The HHCF.org aims to contribute along with its editions to the **Hip Hop Culture heritage conservation** and with its activities aims to be a **cultural trigger** for all the lovers of this world creating situations to **make, share, inspire, experiment** and **exchange**, generating so **opportunities without borders** and artistic **international exchanges**.

The **passion** and dedication that distinguish the hip hop community are values that the festival aims to share with its participants, as well as the importance of free sharing of **knowledge** and the importance of **dedication** and **effort** to achieve one's goals in the movie industry and in life in general.

THE LOCATION

The festival will be held in **Rome** in the **Pigneto area**, due east of the city centre, it is primarily associated with an alternative lifestyle and has a young and edgy feel to it. Its lively night life, vibrant street art scene make the district popular.

The HHCF is going to be located at the **Nuovo Cinema Aquila**, in Pigneto, a special place for it's history. It has been returned to the citizens and to the cultural life of the city from the hands of the organized crime. It is dedicated to Tom Benetollo, protagonist and leader of battles for peace, who died prematurely.

THE EDITION 2022
